KARL NIELSEN

SOFTWARE ENGINEER

Full stack software engineer, with a background in TV/Film and technical support.
I love learning - especially when it comes to the visual parts in development.

EXPERIENCE

SOFTWARE ENGINEER

100Devs | [Jan 2022 - Present](#)

Collaborated with a team of developers to build modern and responsive full-stack web applications using best practices.

FREELANCE SOFTWARE ENGINEER

mdia.dk | [Sep 2021 - Present](#)

Designed and created client websites from start to finish using current technologies while optimizing content for mobile and cross-browser performance.

VIDEOGRAPHER / VIDEO EDITOR

Freelance | [Sep 2018 - Present](#)

Worked both on set and in post-production on different short films and freelancing commercials.
At times pushing for 70-80+ hours a week in both a physically and emotionally demanding environment, with very strict deadlines where every minute counts.
I still do freelance editing.
